

Channel Islands INTERVOICE

May - June, 2008 *Revised*

The *InterVoice* is a bi-monthly newsletter of the Channel Islands Intergroup of Overeaters Anonymous in Santa Barbara and Ventura Counties (CIIG, #005-09068, Region 2) and its OA meetings and OA activities.

Overeaters Anonymous is a Fellowship of individuals who, through shared experience, strength and hope, are recovering from compulsive overeating.

We welcome everyone who wants to stop eating compulsively. There are no dues or fees for members; we are self-supporting through our own contributions, neither soliciting nor accepting outside donations.

OA is not affiliated with any public or private organization, political movement, ideology or religious doctrine; we take no position on outside issues.

Our primary purpose is to abstain from compulsive overeating and to carry this message of recovery to those who still suffer.

Ojai Meetings Need Support

Members in Ojai report that meetings there need attendance, experience, strength and hope.

Please see the schedule.

Support Intergroup!

Intergroup publishes *InterVoice*, coordinates retreats and marathons, registers meetings, maintains an answering service, and carries the message to institutions and the public. It's a big job. At the April meeting, Intergroup voted to help fund a series of workshops, and authorized "seed money" of \$150 to start the project to carry the message. Please remember to send donations from meetings to keep CIIG working. Thanks!

Please remember to send a rep to each Intergroup, and to keep us informed of any changes to your meeting's listing.

For Today:

OA is a refuge from the harsh judgments society passes on compulsive overeaters. My fellow members needs unconditional acceptance and respect, not judgments.
