

Getting to the hospital building:

From Main St, head EAST on Loma Vista

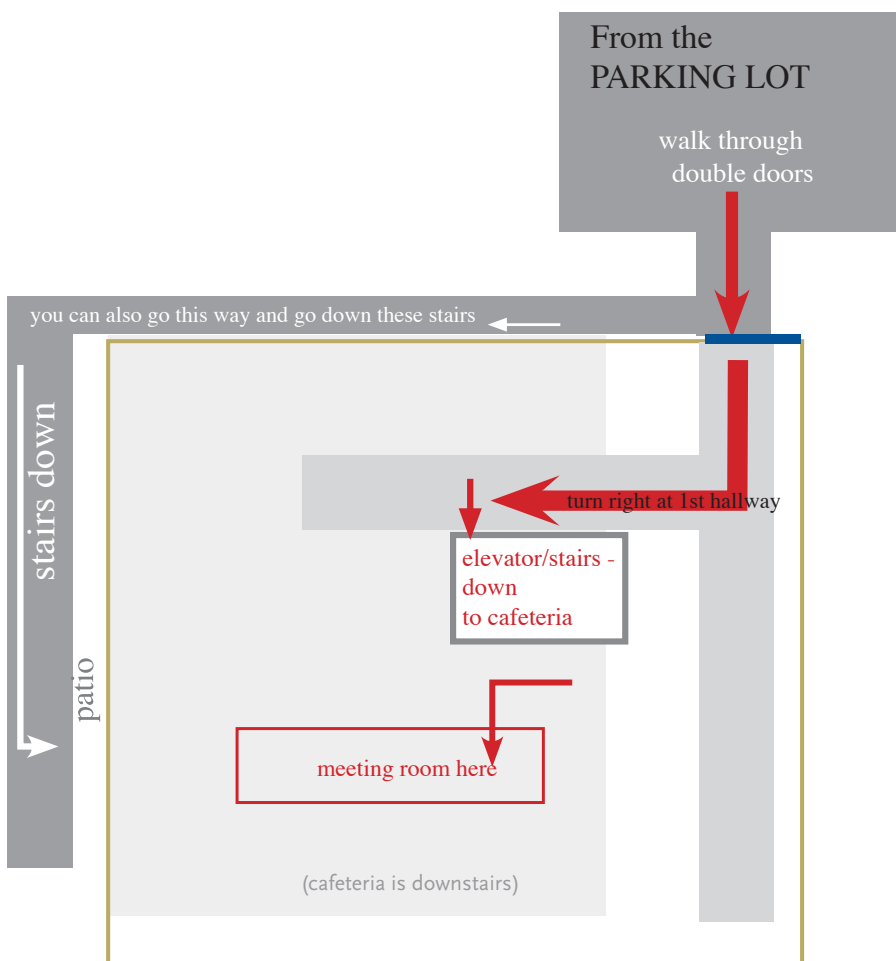

First traffic light is Brent, 2nd light is HILLMONT. Turn LEFT onto Hillmont

Turn RIGHT at the first driveway on your right

Continue straight after the stop sign. You're approaching the front of the Medical Center - **Continue left** in front of the Medical Center. (Don't go into their front entrance drive)

Turn right into the first driveway, then an **immediate right again**, into the Parking area. Park anywhere marked for Visitors.

Getting downstairs to the Cafeteria: (follow red arrows)

Head over to Med Ctr building, through double glass doors (with a blue "stripe" thing over the doors).

Enter the double doors, and walk straight down the hallway.

After about 50 feet, **turn right, down a hallway** (Glass at the end of it).

Walk towards the glass, and you'll see the **elevator and the stairs** that go down to the Cafeteria.

Once you are downstairs, head towards the Cafeteria, through **those double glass doors**.

Inside the Cafeteria, make an **immediate left**, into the **opaque, etched glass doors**. That is the meeting room!
